## Conference Objectives

The 2020 Zimbabwe Mineral Resources Conference and associated field trips will:-

- Highlight the exploration and mining potential in the country.
- Bring together geologists working in research, exploration projects and operational mines to share ideas for more effective exploration.
- Foster the interest of young geologists.

## Oral & Poster Presentations

Twenty minutes will be allowed for each oral presentation including five minutes for questions and discussion.

Posters can cover any subject on geology, mining or exploration and be up to A0 in size. Students at both local and international universities are encouraged to participate.

## Short and Extended Abstracts

Abstracts for oral and or poster presentation are invited from interested contributors.

The abstract should be submitted in Microsoft Word initially , then PDF for final version and up to one single A4 page long. The main text, like the author names should use Times New Roman font, 14 point for the Author names and 12 point for the remainder of the abstract. Paragraphs are justified (straight-edged) on both left and right. Use single-line spacing and leave a line gap between paragraphs. Authors will be advised of the status of their abstracts by the 15 February 2020.

Extended abstracts will be required for all papers and posters accepted for presentation to be published in the Conference Proceedings.

There is no fee for the submission of an abstract, but if you do not register and pay the outstanding registration fee in full by the deadline of 15 March 2020, the abstract will not appear in the programme.

## Conference Advertising and Exhibition

Limited exhibition space will be available through out the conference to suppliers and service providers to the mining industry and exploration .

## Important Dates

Important Dates to note:

**30 November 2019** – 2nd Circular and final call for papers

**31 January 2020** – Submission of abstracts and end of early registration
